Accreditation Statement

Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

Indiana University School of Medicine designates this live activity for a maximum of 2.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Faculty Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity and scientific rigor. **All faculty, authors, editors and planning committee members participating in an IUSM-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturers of any commercial products and/or providers or commercial services that are discussed in an educational activity.**

Note

While it offers CME credits, this activity is not intended to provide extensive training or certification in the field.

ImPACT Administration and Interpretation Seminar

Friday, April 13, 2012

ImPACT Administration and Interpretation Seminar

Agenda

Program Description

This program will review the topic of concussions occurring in athletes, current diagnostic and treatment paradigms for concussions. Utilization of computerized neuropsychological testing will be discussed in detail. The discussion will include all new recommendations and the new Indiana state law for treatment of concussions. Data will be presented about the ImPACT test and at the end of the course, attendees will be qualified for credentialing to use ImPACT in their practice.

Program Objective

At the conclusion of the program, participants should be able to:

- Effectively evaluate athletic related concussions and determine safe return to play
- Implement ImPACT into their daily practice
